

TROOP 633 / 642 FISHING TRIP

Sunday, September 20th

on the **Coroloma**

Please join us for a day of fishing & fun!

We will be heading out to the open ocean, or maybe Anacapa, in search of Rock Fish, Yellow Tail, Calico Bass, or anything else that takes our bait.

If you do not have equipment, fishing poles and tackle can be rented. There is a galley on board and food and drinks can be purchased. You may also bring your own food and drinks; however, plastic coolers are not allowed on the boat.

Although coolers are not allowed on the boat, I recommend that you bring a cooler and keep it in your vehicle to transport your fish home. Ice is available to purchase at the dock.

Important Trip Information

Departure: Sunday, Sept. 30th Boat leaves at 6:00 a.m. (please arrive by 5:30 a.m.)
